

Privacy policy “suppliers”

1. Data controller

Storti S.p.A., with registered office in Via Francesco Dioli, 11, 26045 Motta Baluffi (CR), Tax ID and VAT 00765230198, hereinafter referred to as “**Data Controller**”, guarantees compliance with personal data protection regulations by providing the following information on the processing of data pursuant to Art. 13, EU Regulation 2016/679 (General Data Protection Regulation - GDPR) as amended.

2. Data processed, purpose and legal basis for processing

Personal data are collected and processed for the following purposes:

- a) for the performance of activities pertaining to the relationship with the data subject, in accordance with the contractual and/or pre-contractual agreements;
- b) for administrative purposes and for the fulfilment of legal obligations such as, for example, those of an accounting or tax nature, or to comply with requests from judicial authorities;

The legal basis legitimising the processing is the performance of a contract to which the data subject is party or the execution of pre-contractual measures taken at the request of the data subject, as well as legal obligations.

3. Nature of the provision

The provision of data with respect to the above-mentioned purposes is compulsory due to legal and contractual obligations and therefore any refusal to provide such data in whole or in part may make it impossible for the Controller to perform the contract or to properly fulfil the related obligations (e.g. tax obligations).

4. Locations and methods of data processing and storage times

The data collected from the site are processed at the Data Controller's premises.

The data collected shall be processed by electronic means or otherwise automated, computerised and telematic tools, or by means of manual processing with logic strictly related to the purposes which the personal data were collected for and, however, in such a way as to guarantee their security.

The data are stored for the time strictly necessary to manage the purposes for which the data are processed ('principle of storage limitation', Art.5, EU Regulation 2016/679) or in compliance with the deadlines set forth by current regulations and legal obligations.

Checks are carried out periodically on the obsolescence of stored data in relation to the purposes which they were collected for.

However, the Data Controller applies rules that prevent the storage of data indefinitely and thus limits the storage time in compliance with the principle of minimising data processing.

5. Persons authorised to process, data processors and communication of data

The processing of the data collected is carried out by the Data Controller's own personnel, identified for this purpose and authorised to process them in accordance with specific instructions given in compliance with the applicable regulations.

The data collected, to the extent pertinent to the indicated purposes of the processing and where necessary or instrumental to the performance of said purposes, may be processed by third parties appointed as data Processors, or, as the case may be, communicated to all subjects required for proper performance of the purposes under point 2.

The data collected may be provided in the event of a legitimate request by the Judicial Authority, solely in the cases provided for by law.

Under no circumstances and for no reason whatsoever shall your data be disseminated.

6. Data transfer to non-EU countries

The data may be transferred abroad to non-European countries, and in particular to the United States, only after verifying the Standard Contractual Clauses adopted/approved by the European Commission pursuant

to Art. 46, para. 2 letters c) and d) of the GDPR or the binding rules for the company referred to in Art. 47 of the GDPR or, failing that, by virtue of one of the derogatory measures referred to in Art. 49 of the GDPR.

Transfer to the United States is authorised under the specific agreement called the EU-US Data Privacy Framework (available [here](#)), so no further consent is required.

7. Rights of the data subject

In relation to the Personal Data provided, the data subject has the right to exercise the following rights:

The data subject may exercise his/her rights, as well as request further information regarding his/her Personal Data, by sending an e-mail to privacy@storti.it specifying in the subject line the content of his/her request.

Requests relating to the exercise of the user's rights shall be processed without undue delay and, however, within one month of the request; only in cases of particular complexity and number of requests may this period be extended by a further two (2) months.
